Valentine's weekend is a bitter sweet time for many people.

Why do we celebrate Valentine Day anyway?

- **The root of VALENTINE DAY COMES FROM a roman goddess called Cupid.**
- **Cupid is called the "the God of Love"**
- **Cupid is considered the most famous of all Valentine symbols**
- **Valentine's Day has always played a role in the celebration of romance**
- **Cupid is often depicted as a mischievous winged child whose arrows pierce the hearts of his victims causing them to fall in love**

1 John 4:19 says,

"We love, because He first loved us." NIV

A. We Love

- Him
- Brethren
- Fellowmen

B. He Loved

- Us first
- By sending His Son

C. No fear in Love

- Fear has no place in Love
- Fear cannot co-exist with Love
- Fear has torment
